Subject: APD Officer Inappropriate Conduct - Changes out of Uniform in Public

Here's a YouTube video of an officer stripping down to his boxers and changing out of uniform into jogging clothing out of his APD marked vehicle. This was done in daylight, in full view of public which included women and children, at the corner of Academy and Wyoming, on November 21 2012, 15:30. This is not the first time. Regardless of whether he broke any laws doing this, this behavior is unbecoming an officer and is reprehensible considering all the citizens who were in full view. I have no doubt if someone else had done this, they would have been arrested on the spot by this very officer.

He was driving unit number J331 with a NM tag of G75619.
